

OCTOBER NEWSLETTER

MEMBERSHIP! Keep collecting dues and getting them sent into Department at least every two weeks. National has sent dues notices which should help those that need reminding. Goals need to be met on the Unit, Department, and National level. Also, at this time, your PUFL and State paid up memberships should be sent in and those cards sent to those members. Keep Stirring Up Memberships!

I am sending this letter by e-mail and I am getting the hint that some Units do not get it. So I am also sending it by snail mail because of call to Round-up. Since July, I have been announcing the call to Round-up. Here Goes.....
