

American Legion Auxiliary  
District 9 Newsletter  
February 2019

Dear Ladies,

This month seems to be going fast! Maybe it is because I have been busy with too many different projects this month.

I attended the Mid-Year Conference at Norfolk on Jan. 18, 19, & 20. I had a great time and learned a lot. I brought back poppy orders. If you ordered poppies, I have them.

District 9 "Boeing Flying Fortress" is in 10<sup>th</sup> place with 71.70% of our membership goal reached. We still have one unit with 0 memberships turned in. If you have any memberships you are waiting to turn in please send them in as soon as possible. Remember bills need to be paid and they can't be paid if we don't send in our memberships.

Units 95 and 245 have State Life Members whose names need to be placed on a transmittal form and mailed in to the Department. No money needs to be sent.

I am still working on the terry bibs for my project. So far, I have recorded 128 bibs made. I did take 44 bibs to the new Kearney Veterans Home this last week. I need 72 bibs to meet my goal by May. If you have made any bibs and took them to one of the Veteran Nursing Homes, please let me know how many you took so I can add them to my total. Thank you all for your help.

Remember to work on your publicity books, prayer books and history books and get your poppy centerpieces and corsages done. The directions for these are in the ABC book. I will let you know where to send your books by February 25<sup>th</sup> for judging. The poppy centerpiece and corsage will be judged at the District 9 Convention in Eustis on March 16.

How are you doing with your auction baskets? I can't wait to see what everyone has come up with!

Please put on your calendar to attend the District 9 Convention in Eustis on March 16<sup>th</sup>.

Liana Rich
