

I challenge each Unit to create a member's history book:

--Include the following (on the handout you have)

--Include a Unit picture and/or individual photos of your members

--Why? To preserve the Centennial Year for the future to reflect on

- Your name
- The year you joined the American Legion Auxiliary
- Your Unit Name and Number
- How did your Unit get its name
- When was your Unit chartered
- Your County
- Your County President
- Your District Number
- Your District President
- Your Department President
- How many members of your family belong to the Legion Family
- Something special your Unit has done that stands out in your mind
- Why do you belong
