District 7 April 2023 Newsletter

Thank you to all who attended the District 7 Convention on March 18! Special appreciation to Dodge Post and Unit 122 for hosting and helping in so many ways! Thank you to my fellow officers Vice President Nancy Patras of Columbus, Secretary-Treasurer Janie Nelson of Valparaiso, and Chaplain Jo Fujan of Malmo. (My personal hero was Department Historian Amanda Washburn for rescuing me when I foolishly let my gas tank run too low on that cold morning!) It was a good day of fun, fellowship and festivities. I have included handouts that were available that day. Before we know it, it will be time for the Fall Roundup in October! The date is yet to be scheduled.

The Department of Nebraska Legion and Auxiliary are in the process of purchasing a new office building in Lincoln at NW 40th and O Streets. It will be a more accessible building and location. The current building close to 56th and O Streets has been sold. It seems like the stars are aligning on this move.

The Department Convention has moved from the Ramada to Younes Conference Center South. This move is due to some continuing issues with Ramada. Be sure to cancel your reservations at the Ramada and rebook at either Comfort Inn or LaQuinta for special rates.

Items to Note

Please be sure to share this newsletter with your unit members. If you have anything you would like to be included in these newsletters, let me know. I would love to be able to share your projects, fund raisers, and ideas

April is Children & Youth Month. Please see the attached flyer.

Here is a great idea borrowed from Beverly Neel. Send cards to brighten a military member's day to:

A Recovering American Soldier
c/o Walter Reed Army Med Center
6900 Georgia Avenue NW
Washington, DC 20307-5001

I have included the attachment "Things to do When a Veteran Dies". Please share and distribute when necessary. This is a tough subject but the information in this flyer is very useful. Remember that this can be shared with families of all veterans.

Membership

District 7 is at 86.08% of goal. We are holding steady at number 8 out of the 13 Nebraska districts. Kudos to Dwight, Shelby and Valparaiso for being at or above goal. Keep working and reaching out to unpaid members and potential members.

Department President Vicki Ozenbaugh has chosen her motto "Never Forget, Ever Honor". Let us live that motto!

WHAT CAN I DO?

The American Legion has been actively involved with children's issues since the early 1920s. In many instances, the American Legion has been the driving force on behalf of children on the federal, state and local levels.

In 1938, April was formally designated as Child Welfare Month (now called Children & Youth Month) and has continued on an annual basis. During this special time, we urge each of you to show your community that the American Legion Family is dedicated to America's youth.

Each year the Committee on Children & Youth focuses on three primary areas of concern. They may include:

Child health

- Immunization programs
- School nutrition programs
- Teen pregnancy prevention programs

Child safety

- Child pornography
- Drug abuse prevention
- Drug trafficking
- Alcohol abuse prevention
- Child/sexual abuse and neglect
- Teen suicide prevention

Family support

- National Family Week activities
- Day care safety
- Foster care
- Temporary Financial Assistance
- Missing and exploited children

THE AMERICAN LEGION

APRIL IS...
**CHILDREN
& YOUTH**
MONTH

APRIL IS CHILDREN & YOUTH MONTH

WHERE DO I BEGIN?

To start, consider:

- Obtaining a speaker to talk about a particular concern or topic within the community.
- Conducting a community project with and for children.
- Forming a Community Committee on Children & Youth to discuss current problems, generate solutions and then take action.
- Sponsoring a carnival or show featuring young people to raise money for a community project.
- Featuring a youth panel at a local school where participants can discuss some of their concerns.
- Using videos, if applicable, enlisting the aid of an individual familiar with the subject matter to both present it and be available to answer questions following the viewing.

Use these suggestions, or develop your own projects, but get involved. Remember, the only limitation you have for youth programs and activities is your own imagination!

LEGISLATIVE ACTION

Legislation to improve conditions for children is a focal point of The American Legion's Children & Youth program. By working on behalf of sound legislation, the American Legion, in accordance with mandated positions, strives to bring into enactment the laws necessary to meet the needs of all children.

Whether the legislation involves a local matter, pertains to a problem of a particular state or is an item of national concern, it requires the efforts of all interested in the well-being of children and youth if it is to become law.

Most state assemblies begin their sessions early in the year. This is the best time to present legislators with any new legislation or changes needed in current laws.

Within each community, there is a great deal of local legislative action, which deserves continued attention: city ordinances affecting children and youth, appropriations for schools and school budgets, immunization, child abuse and neglect statutes, juvenile courts, local public welfare departments, playgrounds, traffic regulations and other such matters relating to the health and welfare of children.

There is a great need for informed public participation in local government matters. And when it comes to local matters affecting our children and youth, The American Legion should make itself heard.

PROMOTE YOUR ACTIVITIES

You should publicize your programs and activities. Have the mayor or another local official issue a proclamation declaring April as Children & Youth Month. The post commander should issue a news release proclaiming April as Children & Youth Month and list what the post will be doing for its annual observance.

Remember, programs supporting the children and youth of your community are news! Invite the news media to your activities and keep them informed.

REPORT SUCCESSES

Following the observance of Children & Youth Month, the Children & Youth chairmen need to turn their attention to the annual reporting of expenditures and activities. Be sure you have an accurate record of all money spent for the benefit of children and youth by your post/unit during the current year, as well as the number of children who received services and assistance.

Shortly after the first of the year, American Legion departments receive copies of the Consolidated Post Report (CPR) for later distribution to posts. This form has been developed to track necessary information about the American Legion's overall program. It is the responsibility of the post Children & Youth chairman to report his/her program activities to the individual designated in the post to complete the Consolidated Post Report. The CPR can be done online at myLegion.org by the post adjutant.

Burial In a National Cemetery

Any honorably discharged veteran is entitled to be buried in a National Cemetery, and under certain conditions, the privilege extends to the spouse and children. Applications should be made to the Superintendent of the National Cemetery where burial is desired. Any State Service Officer or American Legion Service Officer can assist in handling the request and establishing entitlement.

Headstone or Grave Marker

The government will furnish without cost a headstone or marker to be placed at the unmarked or marked grave of a deceased veteran. Where burial is in a National Cemetery, these are furnished without application. Otherwise, application must be made to the VA office having jurisdiction over the burial claim. Although the headstone is shipped by prepaid freight, the government will not bear the expense or responsibility of its placement.

Additional Comments

This pamphlet briefly outlines some of the benefits available to dependents of veterans. There may be additional benefits available, such as the Nebraska State Veterans Aid (NVA) Fund, County Veterans Aid, etc. Persons should contact their Post or County Veteran Service Officer for further information. Persons may also write to the Department Service Officer, The American Legion, PO Box 5205, Lincoln, NE 68505.

Lastly, our National Organization has a brochure titled, "What to do Before a Veteran Dies". That is a good source of information and can be downloaded from their website.

ELIGIBILITY: Any member of the American Legion Auxiliary in good standing (having a valid membership card for the current year) may pay dues in advance for the remainder of member's life. After January 1, a member's dues must be paid for the current year before becoming eligible to purchase a PUFL membership. If a member pays their dues in advance and later decides they want to purchase a PUFL membership, that dues amount may be deducted from the total PUFL membership cost until January 1 of the current membership year.

COMPLETING APPLICATION: The APPLICANT completes and signs the top portion of the application form and submits to the Unit Secretary for certification that member is in good standing and has paid dues for current year. Payment or charge card information must be provided before the application can be processed. Make check or money order payable to American Legion Auxiliary. See the rate chart below for payment due. The UNIT SECRETARY must: 1) Verify that applicant has paid current year dues; 2) complete and sign the second section of the application.

PROCESSING APPLICATION: After the application and payment are accepted and processed by National Headquarters, a permanent PUFL Membership card is sent to the member. The card is proof of the member's paid-up-for-life membership status. Each year thereafter, National Headquarters will send the Unit, through its Department Headquarters, the Unit's share of the member's annual dues. The Unit and Department will receive the same amount each year as long as the member lives and remains a member of that Unit.

COST: The cost of a PUFL membership is based upon two factors -- the member's age at the time of application/purchase and the total dues of the Unit at the time the application is processed.* The total dues of the Unit consist of the Department per capita, the National per capita and the amount of annual dues retained by the Unit. The dues amount used to compute the cost of a PUFL membership may not be less than the sum of the Department per capita plus National per capita. (*Units may waive their portion of dues. By doing so, the Unit forfeits or "gives up" the annual payment of that member's dues from the Paid Up For Life Trust.*) NOTE: see "ELIGIBILITY" section (*above*) about deducting dues paid in advance from the total PUFL fee.

*** The PUFL fee for applications processed after June 30 must be based on the total Unit dues for the following membership year.**

The rate chart must be used to determine the exact cost of a Paid Up For Life membership. At the top of the chart, select your age group -- the age at your last birthday. In the left-hand column, find the amount of your annual Unit dues (*round to the nearest dollar amount*) and trace across to your age column. This amount is the cost of your PUFL Membership.

Example: if you are 62 years old and your Unit dues are \$14.50, the cost of your PUFL membership is \$327.00.

If your dues amount is higher than \$50.00, you can find a continuation of the PUFL rate chart in the Member Resources section of the national website at www.ALAforVeterans.org
