For Lincoln, the following dates and fees will apply:

Be sure to register by the registration deadline (January 20), the registration fee is \$65.

After January 20 and for on-site registration, the fee is \$70. **There are no refunds after January 20.**

Your registration fee includes materials for the conference, 1 continental breakfast and 1 lunch. Space is limited.

Those who register after the deadline or on-site, may not be guaranteed all of the materials during the conference. If space allows, only a check or credit card will be accepted for payment onsite.

And each attendee needs a unique email address in order to register. You may register yourself and others, but each must use its own email address - you cannot use your email for every member you wish to register.

LOOK HERE - Department President Lisa Moore has as one of her President's projects is to **reimburse each Nebraska Junior's registration fee who attends the National Junior Meeting in Lincoln NE on February 3, 2024.** Now that sounds like a great incentive for me.

The websites accept only Mastercard and Visa cards. In the past I have registered and then mailed a personal check to National as I do not have either of those cards.
