President Lisa Moore's Project

This year the Northwestern Juniors National Meeting will be held in February 3rd in Lincoln at the Cornhusker Hotel. President Lisa would like to see as many Nebraska Juniors there as possible. So for every Nebraska Junior attending the registration fee will be reimbursed so let's get as many of the District 6 Juniors there as we can. The link for registration is <https://member.legion-aux.org/.../national-junior-meetings/>

How can your unit help?

- **Do not hold on to your dues, send them immediately**
- **Encourage members to pay online or by phone.**
- **Recruit new members. Your Membership goal is one more than your 2023 membership. If you need me to send you that number please let me know. Also, if you lost any members last year you will also need to replace those members also to reach 100%**
- **District 6 is no longer the district with the most members. Let's change that!**

Let's Learn Together

I have been talking with some of the other District officers and I would like to do a District 6 Information Tour this year. It has been done in the past with good feedback so I would like to try it again. There is a questionnaire that I would like you to fill out so that we can get the most out of the tour. I would also like to see if anyone would be interested in doing some educational ZOOM meetings that would highlight different subjects throughout the year.

District 6 Passport

The District 6 family has been putting together a District 6 Passport to help everyone be aware of events that take place in District 6. I have attached to form and you can bring it to Fall Roundup or email it to Edith Deuel. Her email address is on the form. They are asking for a \$10.00 fee to help with printing costs. Any questions on this please let me know.

ABC Book

If you have not received your ABC book you should be getting it shortly. This has great information about all of the programs in it. Take time and read through it. Take it to your meetings and share it! If you have any questions reach out to the chairman. They are there to help and happy to do so!
